Paul Allen Cuthbertson, life-long resident of the Vail Valley and Frisco, Colorado, died on May 19, 2019. He was the beloved son of Michael and Elizabeth A. Cuthbertson. Born on May 18, 1998, Paul began his education at Vail Mountain School. Both intellectually and athletically gifted, his talent for downhill skiing emerged at an early age. Fueled by that interest, he attended and graduated from Vail Ski and Snowboard Academy. From ages five to nineteen he was an accomplished Alpine Ski Racer for Ski and Snowboard Club Vail. Nationally ranked as a high schooler, a series of ski injuries reduced Paul's racing opportunities. Paul completed his freshman year at Montana State University in May 2019, majoring in Mechanical Engineering and Design.
